Deception Bay has low-set brick and fibro homes from the 1970s and 1980s, newer estates, and townhouses and units near the shopping area. Many homes are close to the foreshore and have boats, kayaks or trailers. The median age was 40 at the 2021 Census.

Common security concerns in Deception Bay

- Boats, kayaks and trailers
- Salt air wearing outdoor equipment
- Older homes with fibro and timber

Local tip: Security near the water

Deception Bay's bayside homes face salt air and strong winds, which wear out outdoor cameras, locks and hinges faster. Choose cameras and lights rated for coastal conditions, service door hardware regularly, and lock boats, kayaks and trailers kept at home.
