About Willetton

Willetton is about 15 km south of the Perth CBD.

Willetton is a southern suburb in the City of Canning, with the Southlands Boulevard shopping centre, sporting reserves and quiet streets of family homes built mostly from the 1970s to the 1990s. At the 2021 Census, 19,262 people lived in Willetton in about 6,159 occupied homes: 90% separate houses, 4% townhouses or semi-detached homes and 6% apartments, and 20% of homes were rented.

Housing and local context

Housing stock: Brick family homes from the 1970s to the 1990s, many extended or rebuilt, and a few apartments.

Willetton's streets have brick family homes built from the 1970s to the 1990s on generous blocks, many with pools, patios and double garages, and a growing number of rebuilt two-storey homes. About 90% of homes were separate houses at the 2021 Census.

Common security concerns in Willetton

- Cars parked on driveways
- Back yards with pools and patios
- Side gates

Local tip: Make room in the garage

About 70% of Willetton households had two or more cars at the 2021 Census, and about 39% of homes were owned outright. A garage full of stored belongings pushes cars onto the driveway, so clear space for at least one car, keep keys and fobs inside, and add a camera covering the driveway.

Before you hire: checklist

- Look up the licence number on the relevant state regulator register and confirm it is current.
- Check the ABN on the Australian Business Register (abr.business.gov.au).
- Hardwired 240V work needs a licensed electrician; in-wall data cabling needs an ACMA-registered cabler.
- For guards and patrols, confirm both the firm licence and each attending officer's licence.
- Get at least three written quotes listing camera models, recorder storage and warranty.
- Aim cameras at your own property and consider disabling audio on cameras facing shared areas.
